Subject: PACT-09/856,199

The PUBS Application Control Team (PACT) has been established to identify, monitor, and resolve allowed applications overdue for patent issuance.

The above-identified application requires the following corrective action(s) within 7 calendar days, in order to prevent further delays in issuance of the Patent, which is a major goal of the USPTO.

A Ids dated 7/11/05 in E-Dan needs to be considered.

On behalf of the Office of Patent Publications' PACT, we appreciate your assistance and thank you in advance for the timely response/completion of this application. If you have any questions or need further information regarding this inquiry, I may be reached directly by phone.
